These Terms of Service (“**Terms**”) govern your use of the of the Viber App, Viber Website and any services, features, platforms of products offered by Viber, as detailed below. These Terms form a legally binding contract between you and Viber Media S.ar.l’s (“**Viber**”, “**our**”, “**we**” or “**us**”). Please read them carefully, we have tried our best to strip the legalese from the Terms, however, there are places where they may still read like a traditional contract as they are a legally binding agreement between you and Viber. These Terms **incorporate** and are governed by the [Acceptable use Policy “AUP”](#) and the [Viber Privacy Policy](#).

YOU HEREBY CONFIRM THAT YOU HAVE READ AND UNDERSTOOD THE TERMS AND THAT BY INSTALLING THE VIBER APP, ACCESSING OR USING OUR SERVICES, YOU AGREE TO BE BOUND BY THE TERMS. YOU AGREE TO COMPLY WITH ALL APPLICABLE LAWS AND REGULATIONS WHEN USING THE VIBER APP AND SERVICES AND YOU ACKNOWLEDGE THAT THESE TERMS CONSTITUTE A BINDING AND ENFORCEABLE LEGAL ELECTRONIC CONTRACT BETWEEN YOU AND VIBER. PLEASE DO NOT ACCESS

THE SERVICES OR INSTALL THE VIBER APP IF YOU DO NOT AGREE TO ALL OR ANY PART OF THE TERMS.

**U.S ARBITRATION NOTICE:** THESE TERMS CONTAIN AN ARBITRATION CLAUSE. YOU AGREE THAT, EXCEPT FOR CERTAIN EXEMPTIONS, DISPUTES BETWEEN US WILL BE RESOLVED BY MANDATORY BINDING ARBITRATION, AND YOU AND VIBER WAIVE ANY RIGHT TO PARTICIPATE IN A CLASS-ACTION LAWSUIT OR CLASS-WIDE ARBITRATION. YOU HAVE THE RIGHT TO OPT OUT AS DETAILED IN THE **ARBITRATION SECTION BELOW**.

**ACCESS TO EMERGENCY SERVICES:** Our Services are not a replacement for your ordinary mobile or fixed line telephone, nor are they intended to support or carry emergency calls to any type of hospital, law enforcement agencies, medical care unit or any type of emergency services of any kind. In particular, with the exception of Viber Out, our Services do not allow you to make such calls and Viber is not liable in any manner for such calls or inability to place such calls. You must and it is your responsibility to ensure that you have access to alternative communication for placing such emergency calls if needed.

**CHANGES TO THE TERMS:** We are always working on adding additional features to our Services and improving our existing products. As such, and since there may be changes to applicable laws, we may update or change our Services, including their functionality from time to time, and revise and reissue these Terms occasionally to reflect our Services and practices correctly. We will only make changes if the provisions are no longer appropriate or incomplete. Unless otherwise required by law, we will provide you with 30 days prior written notice (e.g., through the App, the Website or by e-mail). We will also update the date at the top of our Terms and enable you to re-visit the older version of the Terms at any time. Changes to these Terms shall become effective upon the completion of the 30 days' notice. Once updated Terms come into effect, you will be bound by them if you continue to use our Services. If you do not agree with any changes to the Services or the Terms, you may terminate your relationship with us in accordance with the **Termination** Section. It should be noted that changes to these Terms or the Viber App, will take effect immediately without prior written notice where such changes are exclusively to your benefit, where they are of a purely administrative nature and have no negative effect on you, or where they are directly imposed by law.

**EU, EEA and UK users:** A contract summary in relation to our electronic communications service offer is available for download for our users in the EU, EEA and the UK (and in fact anyone else who would like to see the contract summary for comparison purposes) at the link [here](#).

## 1. Additional Terms for Specific Services

Viber additional terms and specifications ("**Additional Terms**"):

- [ViberPay Terms of Service](#)
- [Viber Developer Agreement](#)

In the event there is a conflict between these Terms and the Additional Terms, the Additional Terms will prevail.

## 2. Our Services

*Viber App is a communication platform, enabling voice and video 1 on 1 and group calls, text messaging, sending videos and pictures, sharing your thoughts on social communities, creating groups, communities and channels, etc. We reserve the right to change, update, upgrade, modify and revise our Services and the Viber App at any time, we also reserve the right to discontinue the Services.*

Currently we offer the following services, some of the services are free of charge (“**Free Services**”) and some premium services are subject to payments or a monthly subscription (“**Premium Services**”), all as detailed in the [Payment Sections](#) below (collectively the “**Services**”):

- **Viber App:** Desktop and mobile communication and messaging app, developed by Viber. You understand that, just like a regular mobile phone service, anyone with knowledge of your phone number, that has Viber, may call you or send you messages through our Services and anyone you send a message to can use the content of your message as they desire.
- **Call Services; Viber Out (Subscription and Credit):** Viber offers you the opportunity to become a premium “Viber Out” user, which allows you to call non-Viber users (landlines or mobiles) around the world. Viber Out offers various subscription plans (each: a “**Subscription**”). As a Viber user you are also able to purchase call credits (“**Viber Credit**”), either as a one-time payment or via recurring payments. For more information, please see the [Call Services – Viber Out Service Specific Terms](#) below.
- **Viber In:** You may receive incoming calls generated outside the Viber network, by your friends or other people calling your number, to be received through the Viber App. Viber In is provided for free and you may disable the ‘Viber In’ service at any time by changing the application settings.
- **Stickers:** you can download or create digital stickers through the Viber App. When you create digital stickers on our Service, they must abide by our [Acceptable use Policy](#). Some Stickers are available for free and some Stickers are available for purchase.
- **Communities and Channels:** Communities are group chats through which Viber users can share content and engage with one another in conversations, and can include up to 1 billion Viber users (“**Community**”). The Channels feature enables you to engage and share content with your audience (“**Channel**”). Communities and Channels can include up to 1 billion Viber users. Any messages sent as well

as content posted or shared within Communities or Channels, are subject to the [Acceptable use Policy](#) and the [Viber Privacy Policy](#). The option to create a Community or a Channel is open to all Viber users. When you join a Community or a Channel, you will become a **“Member”** of such Community/Channel and will be able to share such Community/Channel with other Viber users. Upon creating a Community or a Channel, you will automatically become a Superadmin of your Community/Channel (each, a **“Superadmin”**). As a Superadmin you can add or remove other Superadmins, other Community/Channel Administrators (each, an **“Admin”**) or Members from the Community/Channel, control who can post in the Community/Channel, choose whether the Community/Channel can be shared by other Members or not, and delete messages by other Superadmins, Admins or Members (for Community). Superadmins can also revoke invite links and enlist other Viber users to the Community/Channel to become Superadmins or Admins. As a Community/Channel Admin you can remove Members from the Community/Channel, delete messages posted by Members and send an invite to other Viber users to become Members of the Community/Channel. There can be multiple Community/Channel Superadmins and Admins, with a total limitation of 250 combined. Only the Superadmins and Admins of a Channel will be able to post content within such Channel. A Member can leave a Community or a Channel at any time by selecting the **“Leave and delete”** button. Members of the Community can see the username and the photo of the other Members of the Community, and may send one-on-one messages to the Superadmins, Admins and other Members of the Community. Note that Members of a Channel may send one-on-one messages to the Superadmins or Admins of such Channel and vice versa but unlike Communities, Members of a Channel cannot see the information related to other Members of such Channel.

- **Chatbots:** The Viber Chatbot feature enables you to subscribe to Viber’s and third parties’ Chatbot(s) and to send and receive one-on-one messages from the Chatbots (**“Chatbot”**). When you visit a Chatbot without subscribing to it, you will be a **“Guest”**. If you click the **“subscribe”** button anywhere within Viber or any button presented to you by the Chatbot, or start an interaction with the Chatbot, you will automatically become a **“subscriber”** of the Chatbot and be able to send and receive messages from the Chatbot. At any time, you can unsubscribe from any Bot by clicking the **“unsubscribe”** button. The Chatbot may also enable you to purchase Merchant’s Products, as further described under the [Chatbot Purchases](#). The Chatbot administrators, are governed by the [Viber Developer Agreement](#).

**Please be aware that the content published within the Community, Channel or the Chatbot features, is not end-to-end encrypted and are stored by Viber and may also be stored by the relevant Administrator(s) of such specific Community, Channel or Chatbot and their third party providers, as well as the Members of the Communities or Channels if they choose to make copies of it. Viber reserves the right to refuse a refund request if it reasonably believes or suspects (i) that you are trying to unfairly exploit this refund policy, for example, by making repetitive refund requests in respect of the same product or feature; (ii) that you are in breach of these Terms or the Viber Privacy Policy; (iii) that you are using any of our products fraudulently or that your Account is being used by a third party fraudulently; or (iv) that you purchased your credit through a third party service and the terms of such third party do not allow such refund. This refund policy does not affect any of your statutory rights to pursue a claim.

The cooling-off period applies from the date of signing up to a subscription plan. Our Services may link you to other sites on the Internet and third-party partners which cooperate with us to provide you certain services. These other sites are not under the control of Viber, and you acknowledge that (whether or not such sites are affiliated in any way with Viber) Viber is not responsible for the accuracy, copyright compliance, legality, decency, or any other aspect of the content of such sites, and that your use of such sites is subject to their respective terms of use. The inclusion of such a link does not imply endorsement of any site by Viber or any association with its operators.

Viber cannot ensure that you will be satisfied with any products or services that you purchase from any third-party site that links to or from Viber since the third-party sites are owned and operated by independent retailers. Viber does not endorse any of the merchandise, nor has Viber taken any steps to confirm the accuracy or reliability of any of the information contained on such third-party sites. Viber does not make any representations or warranties as to the security of any information (including, without limitation, credit card and other personal information) you might be requested to give any third-party, and you irrevocably waive any claim against us with respect to such

sites. We strongly encourage you to make whatever investigation you feel necessary or appropriate before proceeding with any online transaction with any of these third-parties.

## 12. Termination

*We may add or remove features, products, or functionalities, and we may also suspend or stop the Services, with or without notice. We aspire that you will always continue to share good vibes through the use of our Services, but you may choose to terminate your relationship with Viber at any time.*

If you are using our free Services, you may terminate your relationship with Viber by simply ceasing to use the Services. Up-to-date evidence on call set up time and unsuccessful calls (through your list of calls made and attempted) is available through your User Account.

From time to time, Viber may need to perform maintenance on or upgrade the Service. This may require Viber to temporarily suspend or limit your use of the Services, including Viber Out, until such time as this maintenance or upgrade can be completed. You will not be entitled to claim damages for such suspension or limitation of the use.

You are prohibited from using any services or facilities provided in connection with our Services to compromise security or tamper with system resources and/or accounts. The use or distribution of tools designed for compromising security (e.g. password guessing programs, cracking tools, malware, or network probing tools) is strictly prohibited. If you become involved in any violation of system security, Viber reserves the right to release

your details to system administrators at other sites, law enforcement and/or governmental authorities in order to assist them in resolving security incidents.

If you fail to comply, we reserve the right to remove any offending content, terminate or limit the visibility of your account, and notify third parties—including law enforcement—and provide those third parties with information relating to your Account. This step may be necessary to protect the safety of our users, and others, to investigate, remedy, and enforce potential Terms violations, and to detect and resolve any fraud or security concerns. We also care about your physical safety while using our Services. So do not use our Services in a way that would distract you from obeying traffic or safety laws.

In order to use our Services, you consent to manually or automatically download and install updates to our Services. You also consent to our sending you notifications via our Services from time to time, as necessary to provide our Services to you.

## 16. Indemnity

You agree to indemnify and hold harmless The Viber Group from and against any and all claims, demands, liabilities, costs or expenses, including reasonable attorney's fees, resulting from your breach of these Terms, including any of the foregoing provisions, representations or warranties, from your placement or transmission of any content onto Viber's servers and/or from any and all use of your Account.

If you have a dispute with one or more users (including game developers and/or merchants), you release The Viber Group from claims, demands, liabilities, costs, or expenses and damages (actual and consequential of every kind and nature, known and unknown, arising out of or in any way connected with such disputes). In entering into this release, you expressly waive any protections (whether statutory or otherwise), to the

extent permitted by applicable law, that would otherwise limit the coverage of this release to include only those claims which you may know or suspect to exist in your favor at the time of agreeing to this release.

## 17. Governing law and Jurisdiction

To the extent permitted by law, and with the exception of Section 19 below, the laws of England and Wales govern these Terms and any claims and disputes arising out of or relating to these Terms or their subject matter. The courts in some countries may not apply the laws of England and Wales to some disputes related to these Terms. If you reside in one of those countries, the laws of your home country may apply to those disputes.

If you are residing in a country or territory within the European Region, you may resolve your claim within the competent court of Luxemburg that has the jurisdiction over claims that are brought by European Region residents.

## 18. Arbitration, Class-Action Waiver

*If you have a concern, please first contact us directly- we will try to resolve it. Please read the following paragraphs carefully because they provide that you and Viber agree to resolve all disputes through binding individual arbitration. This section sets forth the exclusive way you can resolve any dispute you may have with us. If you ever wish to seek any relief from us, you agree to do it only through arbitration, and you waive the ability to pursue a class action law suit.*

**U.S. Residents:** To the fullest extent permissible by law, with the exception of disputes pertaining to Viber's intellectual property rights and certain statutory claims that, pursuant to law, are not arbitral, any dispute of any kind between you and Viber arising under these Terms shall be resolved through binding arbitration pursuant to the JAMS Streamlined Arbitration Rules and Procedures on an individual basis with no class relief. The arbitrator shall be a retired judge or justice of any New York State or federal court with substantial experience in the internet industry and shall follow New York substantive law in adjudicating the dispute, except that this Section shall be construed as a "written agreement to arbitrate" pursuant to the Federal Arbitration Act ("FAA"). You and we agree that we intend that this Section satisfies the "writing" requirement of the FAA. The hearing shall be conducted in the county that encompasses the billing address you have provided to Viber. For any claim in which you seek U.S. \$10,000.00 or less, you shall have the choice as to whether the hearing is conducted in person, by telephone, or instead the arbitrator may decide the dispute without a hearing. For those claims that the arbitrator determines are not frivolous, Viber shall pay the costs and fees of JAMS and the arbitrator. Viber agrees that it will not seek reimbursement from you for its costs and fees incurred by it in the arbitration. AGREEMENT TO THESE TERMS CONSTITUTES AN AGREEMENT TO PURSUE YOUR CLAIM ON AN INDIVIDUAL BASIS AND A WAIVER OF THE ABILITY TO PURSUE YOUR CLAIM IN A CLASS ACTION.

**Non-U.S. Residents:** If any controversy, allegation, or claim (including any non-contractual claim) arises out of or relates to the Service or the Terms (“Dispute”) then you and we agree to send a written notice to the other providing a reasonable description of the Dispute, along with a proposed resolution of it. Our notice to you will be sent to you based on the most recent contact information that you provide us. Your notice of Dispute to us must be sent to us at [Viberforeigndispute@viber.com](mailto:Viberforeigndispute@viber.com). For a period of sixty (60) days from the date of receipt of notice from the other party, Viber and you will engage in a dialogue in order to attempt to resolve Dispute, though nothing will require either you or Viber to resolve Dispute on terms which either you or Viber, in each of our sole discretion, are uncomfortable with.

If Dispute against Viber involves a paid Viber Service and we are unable to resolve it through dialogue (as described above), Viber will abide by Directive 2013/11/EU on Consumer Alternative Dispute Resolution. The European Commission Online Dispute Resolution (“ODR”) can be accessed at [eu.europa.eu/odr](http://eu.europa.eu/odr). You can raise a complaint about our Services by contacting us on [Viberforeigndispute@viber.com](mailto:Viberforeigndispute@viber.com). You may also be entitled to refer Disputes in relation to matters covered by the European Electronic Communications Code to an independent body for dispute resolution appointed in your country. A list of such bodies is available at: <https://ec.europa.eu/consumers/odr/main/?event=main.adr.show2>. The list of the UK approved ADR schemes for Viber Out is available at: <https://www.ofcom.org.uk/phones-telecoms-and-internet/advice-for-consumers/problems/adr-schemes>.

## 19. Miscellaneous

These Terms are the entire agreement between you and Viber relating to the matters contained herein and the Services. Failure by Viber to enforce any rights or to take any action against you in the event of any breach hereunder shall not be deemed as a waiver of such rights or of subsequent actions in the event of future breaches. These Terms and any right granted herein may not be assigned by you without the prior written consent of Viber. Viber may assign its rights and obligations set forth herein at any time, at its sole discretion, to any of our affiliates or in connection with a merger, acquisition, restructuring, or sale of assets, or by operation of law or otherwise. In the event of such an assignment, Viber will only transfer your information in compliance with applicable laws, and ask for your consent where required. The calling services and plans are governed by [Fair Usage Principles](#) and are intended for personal non-commercial use. Any misuse of the calling service may result in suspension or termination of your Subscription or Account.

## Viber Out Subscription Specifications

*Payment for Subscriptions (e.g., recurring calling plans) are made on a recurring payment basis. This means that you agree that at the applicable recurring intervals your payment method will be charged, until you actively elect to terminate the Subscription.*

Viber Out calling plans are provided on a Subscription basis and are offered in different prices or payment terms according to the duration of the applicable subscription or the type of device you own, all as specified in our pricing page <https://account.viber.com/en/>. We reserve the right to change our calling plans and Subscriptions or stop offering them at any time. Reduction to the prices of our calling plans will not affect previously purchased and existing calling plans or Subscriptions. Unused minutes or credit will not roll from one month to the next. Our Subscriptions exclude special, premium, service, satellite, and non-geographic numbers.

You agree that you are authorizing recurring payments, and payments will be made to Viber by the method and at the recurring intervals you have agreed to, until the Subscription is terminated by you or by Viber. You must cancel your Subscription before the next billing date to stop being charged. We will provide you with instructions on how you may cancel the Subscription. By authorizing recurring payments, you are authorizing

Viber to store your payment instrument and process such payments, for more information please see [Viber Stored Credential Agreement](#). Our Subscriptions fees are charged in advance and are pre-paid once at the beginning of each Subscription period.

We may change the terms or the price of the Subscriptions at any time and if you have a recurring purchase, we will notify you by email, or other reasonable manner, at least 15 days before the price change. If you do not agree to the price change, you must cancel the Subscription and stop using the Premium Services before the price change takes effect. If there is a fixed term and price for your Subscription, that price will remain in force for the fixed term. Other changes to the calling plans and Subscription, will take effect immediately without prior written notice where such changes are exclusively to your benefit, where they are of a purely administrative nature and have no negative effect on you, or where they are directly imposed by law. You may terminate from posting the changes.

We may offer distinctive features or services in each Subscription, add new features or change or cancel any existing features or functionalities at our sole discretion. We further reserve the right to change the Subscription fees at our sole discretion. If you are a paid user at the time of such change, the new rate will be affected upon your next Subscription period; otherwise, you may choose to cancel your Subscription, in which case you will be refunded on a pro-rata basis.

Your Subscription may start with a free trial period ("**Free Trial**"), when you sign up for a Free Trial, you acknowledge and agree that you will automatically be transferred to a recurring payment Subscription plan at the end of the Free Trial, unless you terminate your Subscription prior to the last day of the Free Trial, in which case you will not be charged, and your Subscription will be cancelled. Note, you may only use only one Free Trial. We reserve the right to change, cancel and/or stop offering the Free Trial at any time.

Viber may terminate your Subscription or offer you an alternative calling plan if we notice that your usage is in breach of the [Acceptable use Policy](#) or is abusing our systems. We reserve the right to change our calling rates and plans or the Subscriptions' fees or even stop offering them at any time.

## Viber Credits Specifications

*As a Viber user you may purchase Viber Credit either through recurring charges or one-time payments. Viber Credit balance is available through your Account.*

The recurring charge feature will be automatically enabled when you buy Viber Credit through the Viber mobile application or Website and check the appropriate checkbox at the time of purchase. Your Viber Credit balance will be recharged with the same amount and by the same payment method you initially designated when you registered your Account every time your Account balance goes below the threshold set by Viber from time to time. By authorizing recurring payments, you are authorizing Viber to store your payment instrument and process such payments, for more information please see [Viber Stored Credential Agreement](#). You can disable the recurring charge feature at any time by accessing your Account. Any charges mentioned in specific currencies are solely

considered as examples, and do not take currency fluctuations or discrepancies into account.

The rates for calling landlines and mobile phones outside of the Viber community consist of a per-minute rate as set out on <https://account.viber.com/en/rates-index> and within the Viber App and your Account. After a 4-hour call duration, the call will be disconnected and require a re-dial. While we always try to keep our rates as low as possible, Viber may change the rates for calling phones at any time without notice to you by posting such change at <http://account.viber.com/>. The new rate will apply to your next phone call after the new rates have been published. Please check the latest rates before you make your call. If you do not accept the new rates, do not make your call.

The duration of a call is calculated per seconds and shall be based on one-minute increments. Fractions of minutes will be rounded up to the next minute. At the end of a call, fractional cent charges will be rounded up or down to the nearest whole cent. For example, a total call at a price of €0.034 will be rounded to €0.03. During the call, charges incurred will be deducted automatically from the Viber Credit balance in your Account.

If you do not use your Viber Credit for a period of six months (including Viber Credit that has been allocated to you by a Viber administrator), such credit will be frozen. You can reactivate the Viber Credit by accessing your Viber Out account and following the instructions therein. If your Account is deactivated, your Viber Credit will be lost. For this purpose, your Account may be deactivated in any of the following way: (i) you actively deactivate your Account. (ii) you remove Viber from your mobile device and do not reinstall it within three months (iii) you do not log in to Viber for twelve consecutive months.

If you use third party services to purchase Viber Credit, such purchase is also subject to the terms of such third party (including with respect to payment terms, refunds, etc.).

For users in Japan, and users with Japanese area code (+81), that purchase Viber Credit, the Viber Credit will expire within 180 days of purchase, with no ability to reactivate.
